

Doggy Celebrates Christmas (Ella the Doggy)

Ella the doggy and her people family are getting ready for the Christmas Holiday! This book is one of several great kids stories from the Ella the Doggy book series. This series is made up of short stories for kids about a real Husky who lives in Minnesota. Ella the Doggybooks are both entertaining and educational. They are great to read at home just for fun, for the home-school family or in an early childhood or preschool education program. In this kids book Doggy Celebrates Christmas, there are all kinds of shiny, pretty things both inside and outside the house. Children will learn words such as ornament, decorate, village, and more. There is also ample opportunity to discuss shapes, colors, the family and ages. As children enjoy the beautiful pictures of Angel on top of the Christmas tree and a manger scene, the adult reader has a chance to further engage on these topics also, or the reader and listener can just enjoy the images. As in all of Ellas books, this book also contains large, beautiful pictures. The books, are fun to read and have lots of interactive text for the reader and the listener to engage in! Come and join Ella this Christmas! As she checks things out, your child can learn right along with her as she discovers some of the wonders of Christmas! Look for Ellas other books also, including Doggys Busy Day, Doggy Finds Her Bone, Doggy Loves Autumn, and Doggys Minnesota Winter. Join the reading list at www.ellathe-doggy.com to receive a FREE book from the series, coloring pages of Ella, an audio recording of Doggys Busy Day, and more!
