

## Dear Diary, Its Annabelle of 1880: Hi, Its me, Kaleigh!

An old bonnet, a suitcase full of dress up clothes, a primitive playhouse and the imagination of a young girl has brought Annabelle of 1880 to life and in doing so, a little girl named Kaleigh Jean Bremmer spent three summers living on an imaginary homestead in fictional Sagewort, Wyoming. This is just one of her stories. In todays world of gadgets... imaginary play is often left to the wayside, which is sad. Some of the greatest adventures are the ones we create ourselves. I encourage you to step outside of yourself and create your own story... Dream, and let the real fun begin~ Cindi Walton aka Nana
