

As You Like It: Band 16/Sapphire (Collins Big Cat)

When Rosalind is banished to the forest by her uncle it goes without saying that her cousin Celia will go with her. But their new life gets slightly complicated, when, disguised as boys, they meet real boys, who theyd quite like to live happily ever after with! How to reveal who they really are, without losing the people they love? Sapphire/Band 16 books offer longer reads to develop childrens sustained engagement with texts and are more complex syntactically.
