

Oxford Picture Dictionary Content Area for Kids Reproducible Collection Pack

Accelerate your students Academic Language Development with the second edition of the Oxford Picture Dictionary for the Content Areas for Kids program. This research-based program: Is flexible enough to be used in any teaching situation. Provides explicit instruction through research-based routines by Kate Kinsella. Makes vocabulary with the academic language learners need to be successful. Is standards based and aligned to the Common Core State Standards and other leading research on what works most effectively.
