**[Review of the book The Dene-Yeniseian connection, ed. by J. Kari** Na-Dene is a family of Native American languages that includes at least the Athabaskan languages, Eyak, and Tlingit languages. An old inclusion of Haida is now considered invalid. In February 2008 a proposal connecting Na-Dene (excluding Haida) to the Yeniseian languages of central Siberia into a DeneYeniseian A genealogical connection between the Tlingit, Eyak and Athabaskan
