

Lady Dove: Jubilant Order of the Air

Lady Dove: Legendary leader, warrior, unstoppable. Yet as the Commander of the Jubilant Order of the Air, an epic fighting order, she is a failure. Two of her members were taken by a Demon Lord from the Pits while she was in command. Twenty times her order descended into the fiery abyss to reclaim their fallen comrades. Each time was a failure. Now the Jubilant Order is no more, its members scattered to the far corners. Only Lady Dove remains. Finding a powerful sage who augurs that her only hope to recover her fallen brothers is to align herself with Krayer, a fallen Paladin who leads an order of evil warriors, the Knights of the Bloody Rose. Lady Dove will stop at nothing to reclaim her lost members and reform her order. Not even teaming up with the foul Lord of Death. Follow Lady Dove as she journeys to the harsh Weathershield Mountains where in her way lay Dragon Kings, Feral Trolls, powerful magic and of course the evil Knights of the Rose....
