

## The Queens Token (White Wolves: Stories with Historical Settings)

Hal is a poor stable boy, who has a dream - to work for King Henry at his palace in Whitehall. But when he chances upon the royal party, its not the meeting he was hoping for. Hes accused of being a spy and his fate now rests in the kings hands...Will Henry live up to his fierce reputation, or will Hal live another day? The Queens Token is a historical story set in Tudor times.
