

L. M. Bostons thrilling and chilling tales of Green Knowe, a haunted manor deep in an overgrown garden in the English countryside, have been entertaining readers for half a century. Now the children of Green Knowe--both alive and ghostly--are back in appealing new editions. The spooky original illustrations have been retained, but dramatic new cover art by Brett Helquist (illustrator of A Series of Unfortunate Events) gives the books a fresh, timeless appeal for todays readers.
