

The Secrets of Sophia Musgrove: Dancing and Deception

Jane Austen meets the Princess Diaries in this new series featuring real-life historical figures alongside a fabulous cast of Regency characters. Sophia Musgrove's life is a glittering whirl of parties, dinners, and dances in 1800s Regency London. But Sophia is restless; surely there must be more to life. When a gorgeous mystery man gets Sophia involved in fighting the slave trade, her life is soon full of romance and adventure, but it's a dangerous world, where not everyone is as they seem. Will Sophia's secrets be her downfall? And can she find room for romance when she's trying to change the world?
