

The Wuvls are little spiritual soft, and cuddly creatures of all colors, roaming about the Universe, trying to find others to touch to help make their lives better and happier. Like magic, when they touch you a part of them rubs off on you and add beautiful meaningful color and change to your character to help you become the best person you can possibly be. It takes all the Wuvls we meet to help us become who we are. Each color represents a unique trait that is a special ingredient that makes you shine like a rainbow. Watch out for you will see a Wuvl soon!
