

Tolu is having a bad day and nobody seems to know why. A dual language book, the Love My Language series introduces young readers to basic, commonly used sentences written in both English and Yoruba. An excellent first book for those trying to get to grips with learning the language, such as children in the diaspora. Read aloud, this book serves as a wonderful aid for parents and teachers seeking to passively reinforce Yoruba speaking and listening skills. Each book also contains a list of high frequency words used to further assist learning.

A Coyotes in the House, Lucie Corvus contre Mister Poiscaille, Oeuvres Completes, Volume 58... (French Edition), Efficiency Improvements in Mobile Hydraulic Systems (Reihe Fluidtechnik), The IdeaBridge Sales Management & Leadership Development Program (Volume 1), Textiles and Clothing, Human Capital Wastage, CaseBook on Ethical Issues in International Health Research (Russian Edition), The Star Group, Diccionari De La Llengua Catalana (Catalan Edition),
