

Vanessas Fashion Face-Off (Confidentially Yours)

Perfect for fans of The Cupcake Diaries and The Babysitters Club, this new series is about four best friends who are confidentially yours when writing their middle school newspapers advice column. Vanessa Jackson has style to spare and an amazing ability to rock any look. She's always had a flair for fashion, and dreams of being a designer one day. She's loving middle school, and being on the newspaper staff with her two best friends is a blast. Vanessa knows her fashion advice is always on point for the group's popular advice column. But then she meets her new neighbor, Katie Kestler. Katie is cute, super-stylish, and just moved from glamorous LA. When Katie ends up attending the same middle school, suddenly it seems like Katie's everywhere, and not in a good way. But when an advice-off competition threatens Vanessa's spot on the column, she's determined to take Katie down.
