

## Daily Writing!: A Year of Story Prompts

This book is a fun collection of a years worth of story prompts along with some bonus photo prompts. Laid out with thought provoking ideas, this book can help you get started writing. You can write. Sit down and string words together one after the other. Dont just say you want to be a writer. Be a writer. Its that simple. You dont have to start January 1st, pick any day that you want. Pick a prompt every Saturday morning. Or work on one before bed. Randomly flip through the book with your eyes closed, point and say, I will write a short story from this one. Use them to write the most ridiculous thing imaginable that youd never show anyone. Use them in class if you are a teacher. Anything goes with no limits. Just write. And have fun!
