

Your Astrology Guide 2011

WHAT DOES 2011 HOLD IN STORE? America's most accurate astrology team reveals how to apply ancient wisdom to today's world. Rick Levine and Jeff Jawer, astrology's fastest-rising stars, go beyond mere prediction: they offer a cosmic weather report that explains planetary events and energies in a way that anyone can understand and use. Their big, bestselling guide covers a full 17 months instead of 12, with spreads for each sign from August to December 2010 featuring a summary and mini calendar for each month. The duo looks closely at the 2011 forecast for all 12 signs, providing an enlightening perspective on every crucial aspect of your world. Every month receives easy-to-follow coverage that makes it simple to keep track of what will unfold during the year.
